Ref.: Latibex Delisting Request – COMPANHIA PARANAENSE DE ENERGIA – COPEL

Dear Sir,

COMPANHIA PARANAENSE DE ENERGIA – COPEL ("COPEL"), a publicly held company headquartered at Rua José Izidoro Biazetto, 158, Bloco A, Mossunguê, Curitiba, State of Paraná, CEP 81200-240, Brazil, enrolled under the Global Legal Entity Identifier Registration (LEI) 2549001AS1I9A71VG663, currently listed on the Novo Mercado segment OF B3 S.A. – Brasil, Bolsa, Balcão ("B3"), and on the Mercado de Valores Latinoamericanos ("Latibex"), herein submits its application for the delisting of its ordinary shares (LATIBEX: XCOPO; ISIN BRCPLEACNOR8) from the Latibex market ("Delisting Request").

In order to instruct the current request, and in compliance with the General Regulation of Latibex, we inform you that:

a) The submission of the Delisting Request was approved at COPEL's Board of Directors meeting held on September 17, 2026 (Annex I); and

b) COPEL retained Banco Santander, S.A. as Agent Entity (*Entidad Agente*) ("Agent Entity") for the execution of the delisting procedures.

The rationale for the Delisting Request is to align with Copel's corporate simplification strategy.

the negligible trading volume and low liquidity of the Company's shares on the Latibex market over recent years, combined with the disproportionate administrative, regulatory, and financial costs associated with maintaining such listing, especially following Copel's migration to B3's Novo Mercado and the concentration of its share liquidity primarily on B3 and NYSE.

Additionally, COPEL kindly requests that: (a) the Agent Entity be authorized to carry out the mandatory announcements on the Latibex market in connection with the delisting procedure;

and (b) the delisting of its ordinary shares from the Latibex market be considered by the Board of Latibex as soon as possible after the conclusion of the period to be stated in such announcements.

Further, COPEL hereby expressly represents that, once the ordinary shares are delisted from Latibex, any such shares that may remain registered in Iberclear may be transferred to B3 through the mechanisms and channels then available / otherwise dealt with in accordance with the procedure to be communicated by COPEL and the Agent Entity.
